Time trials for stakes races will run on the first weekend. Each time trial shall consist of not more than ten (10) head in Quarter Horse stakes and not more than nine (9) head in the Thoroughbred Stakes. Trials and Finals shall be contested under the same conditions.

The fastest ten qualifiers shall qualify for the finals of the Quarter Horse Stakes based upon a time basis from the trials. A list of qualifiers will be posted in the Racing Office at the completion of the trials. In all cases, the decision of the Board of Stewards shall be final.

The nine finalists for the finals of Thoroughbred Stakes shall be selected based upon placing from the trials. Trials for the Thoroughbred Stakes do not have to be run consecutively on trial day and may be separated with the permission of the Nevada Gaming Control Board and the Board of Stewards prior to the draw for the trials.

In the case of a tie, horses shall draw lots to determine who will run in the finals. Should a mechanical failure occur with the electric timer during the running of the trials, or if in the opinion of the Board of Stewards, track conditions should materially change during the running of the trials that would give an unfair advantage, the finalists shall then be selected and determined by means determined by the Board of Stewards which has been determined as most equitable under the circumstances.

Should any or all of the front gates of the starting gate fail to open during the trials or finals, the horse or horses shall be declared as "non starter" and no liability will be incurred beyond the return of all nominating, sustaining or penalty payments made in the name of said horse for the race entered. The decision of the Board of Stewards shall be final in all matters.

Stakes Entry Reports are available on the website: www.elkocountyfair.com

(Conditions Continued)

Nominating, sustaining and penalty payments are accepted only on the condition that all persons nominating or starting a horse in the trials or finals agree to abide by the decision of the stewards. If any part of an entry should be disqualified during the running of a race, it may disqualify the entire entry. Entries in the trials owned in part or in whole by the same owner and trained by the same trainer will be split apart if at all possible.

Purse Distribution: all horsemen's payments (original nominating, sustaining and penalty payments, less office administration fee, less jockey fees and insurance, together with the added money, will be paid as follows):

10 horse field: 40%/20%/10%/8%/6%/5%/4%/3%/2%/2%

9 horse field: 46%/20%/10%/6%/5%/4%/3%/3%/3%

Disclaimer: Horses who have started in the trials and later are found to have used any illegal medication as prescribed by Nevada State Racing Rules, will not be allowed to run in the finals. Any horse receiving a bad test, as prescribed above, shall forfeit all awards, prizes, or other considerations. Nominating, sustaining & penalty payments will not be returned in the event these stakes races are not approved by AQHA, regardless of the reason for lack of approval. The Elko County Fair Board reserves the right to cancel or reschedule these stakes races of trials for any reason it deems good and sufficient.
