ELKO COUNTY FAIR **CONDITIONS, RULES AND REGULATIONS**

The Provisions on the reverse side are incorporated herein by reference.

SCHEDULE: The trials for some of the stakes races may be held either on Friday, August 22 or Saturday August 23. **Actual dates of the trials can change at a later date once entries numbers are established.** Finals for all stakes will be held on Sunday August 31, or Monday, September 1, 2025.

ELIGIBILITY: These stakes are open to Quarter horses registered with the American Quarter Horse Association. An owner may nominate as many entries as desired, but **MUST** designate the appropriate race when nominating. If an entry is dropped or withdrawn, it is the responsibility of the owner to properly designate which of the entries has been withdrawn. In case of sale or transfer, please notify the Elko County Fair Board of correct ownership, spelling and address of new connections. The Elko County Thoroughbred Futurity and Derby purse programs have changed and all information and conditions will be addressed in the Elko Co Fair Race Condition book.

ELIMINATION TRIALS: Each elimination trial shall be raced under the same conditions and distance as the finals. In the event exactly ten horses are eligible to run in the Quarter Horse Stakes, no time trials will be held for that event. In case of a tie, the horses involved shall draw lots to determine who will run in the finals. Should a horse be disqualified during the running of the trials, said horse will receive the time of the horse they are placed behind plus .01 of a second. Should mechanical failure occur with the electric timers during the running of the trials, or if in the opinion of the Board of Stewards, track conditions should materially change during the running of the trials that would give an unfair advantage or disadvantage, the finalists shall be selected on a basis determined by the stewards to be most equitable and fair under the circumstances. Should any or all of the front gates of the starting gate fail to open during the running of the trials, the horse behind said stall doors shall be declared a non starter, and no liability shall be incurred beyond the return of all nominating, sustaining and penalty payments paid on such horse. Shall the gate malfunction during the finals; said horse shall receive last place money or an equal distribution of last place monies in the event of a scratch. In the event of coupled ownership during the trials, should any part of the entry be disqualified, it may disqualify the entire entry. Entries in the trials owned wholly or in part by the same owner or trained by the same trainer, will be split if possible. **IN ALL CASES, THE DECISION OF THE STEWARDS IS FINAL AND BINDING.** Nominating, sustaining and penalty payments are accepted only on the condition that all parties involved agree to abide by the decision of the Board of Stewards. **If any horse is scratched from a final being run without qualifying finals trials there will be no refund of nominating, sustaining, for late fees and the horse will not be eligible for purse money in that race.**

PURSE DISTRIBUTION: All the nominating, sustaining and penalty payments plus all added money shall make up the finals purses with the following exception: **(All trial purses will be deducted at \$1,000.00 per trial run and 15% of horsemen's fees will be deducted for office fees). Any final monies not collected; by person or persons earning them; before December 31st of the current year earned will be relinquished back to the Elko County Fair Board no exceptions.** Trial and Finals purses to be distributed as follows:
